VINCI Energies acquisition of the Eitech Group approved by the competition authority

VINCI Energies is now the owner of 100 percent of the companies and resources included in the Eitech Group.

Expansion in the Nordic region

VINCI Energies is now the owner of 100 percent of the companies and resources included in the Eitech Group. The Swedish Competition Authority has now approved the purchase, which was published on November 8, 2017.

"We are pleased to welcome Eitech to Vinci Energies Group. Together with Eitech, we will be able to expand and widen our range of services in the Nordic region" says Åke Thimfors, CEO Vinci Energies Nordic.

About VINCI Energies

In a world undergoing constant change, VINCI Energies focuses on connections, performance, energy efficiency and data to fast-track the rollout of new technologies and support two major changes: the digital transformation and the energy transition. With their strong regional roots and agile organisational structure, VINCI Energies' business units boost the reliability, safety and efficiency of energy, transport and communication infrastructure, factories and buildings.

2016: €10.2 billion revenue // 64,500 employees // 1,600 business units // 52 countries

About VINCI

VINCI is a global player in concessions and construction, employing more than 183,000 people in some 100 countries. We design, finance, build and operate infrastructure and facilities that help improve daily life and mobility for all. Because we believe in all-round performance, above and beyond economic and financial results, we are committed to operating in an environmentally and socially responsible manner. And because our projects are in the public interest, we consider that reaching out to all our stakeholders and engaging in dialogue with them is essential in the conduct of our business activities. VINCI's goal is to create long-term value for its customers, shareholders, employees, and partners and for society at large.
